

Ocean Stories for Kindergarten

12 decodable practice stories for ages 5 to 6, written by LUCALabs.

How to use these stories

These stories use phonics patterns appropriate for kindergarten readers. Read aloud together. Have your child sound out each word. The blanks are for your child's name.

Story 1 / 12

_____ went to the sand by the big wet bog. He dug a pit and sat in it. A cub ran by him. "Come here!" _____ said. The cub sat by the pit. _____ gave it a pat. The cub ran off to the wet sand. _____ got up and ran to the wet sand too. The sun was hot on his back.

Story 2 / 12

_____ and her pal Jan sat on the sand. A big wave came up and hit the sand. _____ dug a pit. Jan set a cup in it. The wave came and got the cup wet. "It went in!" _____ said. Jan got a rock and set it by the cup. The wave came up again. The rock sat and did not tip.

Story 3 / 12

_____ went to the sand with a net. He ran to the wet bit by the bog. A big bug sat on a rock. _____ got the net and set it by the bug. The bug did not run. _____ took the bug up. "I got it!" he said. He set the bug in a cup and took it back to his bag.
